

Grapes: a PDF flip book

A real Splashery effect. Forty frames at eight frames per second.
October 4, 2026. ocg frames with PDF JavaScript.

Press the right-pointing play triangle under the picture.

Test in desktop Acrobat Reader or Okular.

If only the poster shows, this viewer may not support these controls.

Open the real interactive toy in your browser.

A recording of the effect, not the WebGL engine running in a PDF.
